CORE RETURN POLICY

Cores must be paid in full at the time of sale. All 4-cylinder and 454 engines require a core return. All cores must be shipped prepaid unless pre-arranged with Performance Product Technologies. Deduction will be assessed for missing parts and damaged blocks. All 454 cores will be given full core credit when core has been returned. Performance Product Technologies, at their expense, will arrange pickup on all 454 cores. Call 1-866-335-3396 for core shipping instructions.

PRIMING

Performance Product Technologies recommends priming all engines with a pressure pre-oiler.

FREIGHT INSPECTION

Please inspect all engines before signing the freight bill. If there is freight damage, we need to start a claim with the freight line.
